### **Presbyterian Historical Society of Ireland**

Founded in 1907 the object of the Society is to explore and promote an understanding of the history of Presbyterianism in Ireland. This is achieved by various means, including the collection and preservation of historic materials and records of these churches. From its very beginning, and still today, the Society is made up of the three churches which held the Presbyterian Order in Ireland. These are the **Presbyterian Church in Ireland**, the **Non-Subscribing Presbyterian Church of Ireland** and the **Reformed Presbyterian Church of Ireland**. As the home for

thousands of printed and manuscript items it is the first port of call for anyone interested in the history of Presbyterianism in Ireland or in tracing their Presbyterian roots.

### **The U.S. National Archives & Records Administration**

List of ships that arrived at the Port of New York During the Irish Famine.

Famine Irish Passenger Record Data file (FIPAS).

Irish arrivals to the port of New York during the period of the Irish Famine 1846-1851.

<https://www.archives.gov/>

### **Valuation Office**

The Valuation Office has a manuscript archive containing rate-able valuation information of all property in the state from mid 1850s until the early 1990s; and commercial property only from that time. This archive shows the changes after the revision of properties and is recognized as a census substitute for the period from the 1850's to 1901 (the earliest complete census record for Ireland).
